Online Bidding

Real time online bidding is available for this sale.

Visit www.rabin.com for more information

Removal Dates

Small items must be removed by Friday, January 22, 2010.

All items must be removed by Friday, January 29, 2010.

ATTENTION RIGGERS: General Liability Insurance for \$2,000,000 required to Rabin Worldwide, Perfection Plant Liquidations, Loeb Equipment and JM

A 15% buyer's premium will apply to all items sold.

Sales Tax

The Rabin Worldwide is required by law to collect the applicable sales tax on all items sold unless at the time of purchase the buyer provides the appropriate resale certificate, properly completed, together with some identification which proves the individual is in the business of buying and selling such merchandise within the state.

Sales tax will be refunded to out of state buyers when one of the following is provided:

Dealers must provide a properly executed bill of lading showing shipment by a third party carrier to an out-of-state location, designating the Rabin Worldwide as the shipper accompanied with a properly completed resale certificate from their state, together with some identification which proves the individual is in the business of buying and selling such merchandise within that particular state.

Where the state allows exemption from sales tax for buyers who runs a manufacturing business which is known to make use of the kind of equipment being purchased, the buyers must also provide proof that the items will be used for manufacturing within the particular state, and a properly executed bill of lading showing shipment by a third party carrier to an out-of-state location, designating the Rabin Worldwide as the shipper.

Out of state buyers who are taxable in their state, must show proof that payment of sales tax was made on the merchandise purchased and a properly executed bill of lading showing shipment by a third party carrier to an out-of-state location, designating the Rabin Worldwide as the shipper.

As designated shipper, Rabin Worldwide is not responsible for any damages to shipment in-transit or any other expenses related to the shipping.

Buyers from the State of California must provide resale exemption number at the time of purchase to avoid paying California sales tax.

Equipment being used within California is subject to California Use Tax which must be collected at the time of purchase, regardless of the state of purchase.

Without appropriate paperwork, all sales tax must be collected at the time of purchase. However, sales tax will be refunded in full at such time as proper documentation has been provided to the auctioneer.

Cash Payment Of \$10,000 Or Greater

For any purchase paid in cash, with a value of \$10,000 or greater, the buyer is required to complete United States Treasury Department form number 8300. These forms are available from the auctioneer and must be completed and returned to the auctioneer at the time of purchase.

The items in this catalog will be sold by a licensed auctioneer, in accordance with local laws governing public auctions, and according to posted "Terms of Sale". Anyone else soliciting merchandise that is not listed in this catalog will be asked to leave the premises

TERMS OF SALE

These Terms and Conditions of Sale govern all items which are offered for sale by RABIN WORLDWIDE as well as any of its employees, agents, designees, affiliates, joint venture partners, and/or co-auctioneers (collectively, "RABIN WORLDWIDE"). RABIN WORLDWIDE reserves the right to modify these Terms of Sale at any time and any such modification shall become part of these Terms of Sale. By registering at the auction, the Buyer agrees to be bound by these Terms of Sale.

- 1. Payment.** Only cash, a cashier's check or a company/personal check accompanied by a letter of guarantee from a bank payable to RABIN WORLDWIDE will be accepted. A refundable deposit in the amount of 25% is required to be deposited with RABIN WORLDWIDE upon registration at the auction. The balance and full payment for all items purchased is due to RABIN WORLDWIDE on the day of sale.
- 2. Taxes.** Where required by law, Buyer shall pay to RABIN WORLDWIDE sales tax, value added tax or any other applicable tax. Any such taxes will be added to the purchase price of all purchased items, as well as the Buyer's Premium. At the time of payment, dealers who purchase for resale must supply RABIN WORLDWIDE with all necessary documentation or upon receipt of such resale documentation, the tax will be refunded to the dealer.
- 3. Buyer's Premium.** RABIN WORLDWIDE will charge and retain a non-negotiable buyer's commission ("Buyer's Premium") on the proceeds of any sale based on the final bid of each lot sold. The Buyer's Premium will be 15% for cash payments (cash, check, wire transfer) and 18% for credit card payments. The Buyer's Premium will be posted on the premises and announced prior to the sale.
- 4. Title.** Title to the offered item shall pass to Buyer upon (i) the payment in full to RABIN WORLDWIDE; and (ii) removal of purchased item from the premises, subject to compliance by Buyer with all other Terms of Sale. RABIN WORLDWIDE reserves the right to cancel or void the sale of any items purchased by Buyer up to the time such items are removed from the premises by Buyer.
- 5. Inspection.** Buyer hereby acknowledges that Buyer, or an agent acting on Buyer's behalf, has inspected, or has had the opportunity to inspect, all of the items upon which Buyer will be bidding and/or does purchase. After a sale has been confirmed, the Buyer shall be deemed to have inspected all purchased items.
- 6. Safety Standards.** Buyer expressly assumes all responsibility to secure all safety equipment and to meet all applicable local, state and governmental safety standards in using or removing any items purchased.
- 7. Adjustment of price.** Where appropriate, if a shortage exists on an estimated count of items sold, an adjustment on the sale price may be made by RABIN WORLDWIDE. Buyer must request such an adjustment prior to the time Buyer removes such items. No adjustment will be made for any shortage existing on any lot of items without a marked quantity.
- 8. Removal of Items Purchased.** Items can only be removed from the premises within the removal time as announced at the sale. No item can be removed, segregated or dismantled by Buyer before the conclusion of the auction. Prior to removal of any item purchased, the entire invoice must be paid in full, in order to gain access to the premises. Buyer must present a representative of RABIN WORLDWIDE with an original white invoice/bill of sale marked "PAID". Removal shall be at the sole expense, risk and liability of the Buyer. RABIN WORLDWIDE shall not be responsible for theft of any item or damage caused to any item prior to Buyer's removal of such item.
- 9. Failure to remove items purchased.** If items are not removed within the specified time for removal, (i) such items will be deemed abandoned by the Buyer, (ii) Buyer shall forfeit all monies paid to RABIN WORLDWIDE for the purchase of such item(s), including any rigging costs and (iii) Buyer shall forfeit the right to purchase such item(s). In addition, Buyer shall be responsible for all damages suffered by RABIN WORLDWIDE in accordance with Paragraph 16, below, including, but not limited to, any dismantling, transportation, storage or other costs, including attorneys' fees incurred by RABIN WORLDWIDE as a consequence of Buyer's failure to remove such item(s).
- 10. Absentee Bids.** RABIN WORLDWIDE will accept bids from Buyers who wish to bid, but cannot attend the auction. The bids may be placed online at www.rabin.com or in writing on a form acceptable to RABIN WORLDWIDE, without charge, and must be submitted in advance of the sale. All bids must state the highest bid price, net of the Buyer's Premium and any applicable taxes and be accompanied by a refundable deposit equal to 25% of the highest bid price.
- 11. Bidding.** If any dispute arises between two or more bidders, the auctioneer has the right in its sole discretion to determine the successful bidder or to re-offer and resell the item or lot in dispute. RABIN WORLDWIDE shall have no liability arising from any dispute between two bidders. RABIN WORLDWIDE reserves the right to group one or more lots into one or more selling items or lots, or to add to or delete items or lots at its sole discretion. RABIN WORLDWIDE reserves the right to set the bidding increments. RABIN WORLDWIDE also reserves the right to reject any bid which is only a fractional advance over the preceding bid. RABIN WORLDWIDE, or the owners, reserves the right to set and/or to modify a reserve price.
- 12. Absence of Warranties.** While descriptions are believed to be correct. RABIN WORLDWIDE and the Owners make no warranties or guarantees, expressed or implied, as to the genuineness, authenticity of, or defect in any lot. Neither RABIN WORLDWIDE nor the Owners shall be liable for any inaccurate, incomplete or incorrect description, fault or defect in any lot. ALL SALES BY RABIN WORLDWIDE OF THE GOODS, WILL BE "AS IS", "WHERE IS", WITH ALL FAULTS, LATENT AND PATENT, WITHOUT REPRESENTATION OR WARRANTY, EITHER EXPRESSED OR IMPLIED, OF ANY KIND, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR WARRANTY AGAINST PATENT, TRADEMARK, COPYRIGHT OR TRADE SECRET INFRINGEMENT.

13. Indemnification. Buyer shall indemnify, hold harmless and defend RABIN WORLDWIDE and the Owners from and against any and all losses, damages, liabilities and claims, and all attorney's fees, costs and expenses arising out of, based upon or resulting from (i) any loss or injury resulting from Buyer's failure to secure all safety equipment and/or to meet all applicable government safety standards in removing items purchased or in use, (ii) any act by or omission of RABIN WORLDWIDE, the Owners, or their respective agents, representatives or employees, relating to or affecting the goods bid on and or purchased by Buyer, or (iii) any injury to Buyer or any other person or property of any type whatsoever caused during the inspection, auction, dismantling, removing transporting or use of the items purchased.

14. Hazardous Materials. Buyer will indemnify, defend and hold RABIN WORLDWIDE harmless with respect to all costs, expenses, liabilities, damages or claims, including without limitation, attorney's fees, asserted by any person, entity or governmental agency or against RABIN WORLDWIDE directly or indirectly relating in any manner to any hazardous or toxic materials, which may be regulated under applicable laws, rules or regulations, (collectively, "Hazardous Materials") and which relate in any way to the dismantling or removal of any purchased item. RABIN WORLDWIDE shall in no event be obligated to sell any items which contain any Hazardous Materials, or to incur any costs or expenses relating in any manner, either directly or indirectly, to any Hazardous Materials. Buyer will be responsible for any and all remediation costs related to the dismantling and removal of any purchased item.

15. Acts Of Others. RABIN WORLDWIDE is not responsible for (i) the acts or omissions of any party who provided any items to the auctioneer for sale, (ii) the owner or lessor of the auction site, (iii) the owner or lessor of the site where the items are stored, or (iv) the acts or omissions of any party who provides services to the auctioneer, including, but not limited to telecommunication or internet bidding services.

16. Default/Non-Compliance. In the event the Buyer fails to pay the entire purchase price on the day of the sale(s) and/or fails to comply with any conditions of these Terms of Sale, RABIN WORLDWIDE may retain and/or recover the Buyer's deposit for such failure. In addition, RABIN WORLDWIDE may resell such items at a public or private sale without further notice. If, at such a sale, the item is sold for a lesser price the original buyer (defaulter) will be responsible for the difference. Furthermore, any charges, fees and/or expenses incurred by Rabin Worldwide as a result of resale will also be the responsibility of the defaulter. This also includes any attorney's fees that may result in enforcement of this agreement.

17. Limitation of Liability. RABIN WORLDWIDE, the Owners, or their respective agents, representatives or employees, shall have no liability to Buyer due to nondelivery of any item for any reason other than to return to Buyer the monies deposited for such nondelivered items. Buyer's sole remedy for nondelivery of items shall be the refund of the original purchase price paid by Buyer for such items. RABIN WORLDWIDE, the Owners, or their respective agents, representatives or employees, shall not be liable for any lost profits, incidental or consequential damages or the replacement value of any item.

18. Arbitration. Any dispute or controversy arising out of or relating to the auction or any interpretation, construction, performance or breach of these Terms of Sale, including fraud in the inducement, shall be resolved by final and binding arbitration conducted by a retired judge, either with Judicial Arbitration and Mediation Service or through the American Arbitration Association. Judgment may be entered on the arbitrator's decision in any court having jurisdiction.

19. Attorney's Fees. Should any party to this agreement institute any arbitration or other action or proceeding in any way relating to the auction, or to enforce, interpret or apply any provision of these Terms of Sale, the parties agree that the prevailing party shall be entitled to reimbursement by the losing party of all statutory and nonstatutory costs and expenses, including, but not limited to, all of its attorney's fees.

20. Governing Law. The validity, construction and performance of these Terms of Sale shall be governed by the substantive law of the country or region where the auction was conducted.

21. Severability. If any provision of these Terms of Sale is deemed illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining parts, shall not be affected.

194	1	Carrier liquid chiller, model 30GT-015-500, s/n Q984786, R22 refrigerant, (2) top mount fans and (2) MP rotary pumps, model Flow Max 5, 2hp, 1-1/2" in x 1-1/2" out (1989)	203	1	Lee 250 gal. stainless steel jacketed kettle, s/n 603N, full sweep top mount agitator, open top, stainless legs, Tank #5
Proceed to Oil Sheen Line			204	1	1,000 Gallon stainless steel dimple jacketed tank, 4' H x 5'-10" dia., open top dish bottom with Louis Allis high shear 20hp mixer, and Lightnin Type P rim mounted mixer, Tank #8
195	[Lot]	Cooling tunnel, (2) gravity feed 16 nozzle feeders, 4' L x 2" W, cone bottom, (1) stainless, (1) steel, venting conveyor, 16' L x 53" W with blower and flume, enclosed cooling section 68' L x 8' W x 8'-5" H, sanitary belt 107' L x 46-1/2" W on mild steel frame	205	1	Versa-Matic stainless steel diaphragm pump, pneumatic, 2-1/2" in x 2-1/2" out
195A	1	Copeland freon refrigeration compressor, model 9RS3-076A-1FC-800, s/n 07A6630R, (3) fan with after cooler (located outside behind tank farm)	206	1	Versa-Matic stainless steel diaphragm pump, pneumatic, 3" in x 3" out
196	[Lot]	Kaps-All capper, model C, s/n 2677, stainless steel, 8 quil (using 6), with 77" L x 4-1/2" W plastic flat track conveyor, feed system stainless, model FSRF-36" rotary table s/n 787, feed system stainless, model FSB cap elevator s/n 696 with stainless belt elevator	207	1	Warren Rupp stainless steel diaphragm pump, model Sandpiper SA2-A, s/n 351861, pneumatic, Type DB-4-SS, 2" in x 2" out
197	1	Domino stainless steel coder, model A1000, s/n M1A18090, on stainless steel stand with Tripp-Lite USP backup	Foil Pack (Sachet) Filling Line		
198	1	Bel case tapper, model 252, s/n 252-6149, top and bottom, with 10' L x 18" W skate roller exit conveyor (1994)	208	1	Circle Packaging stainless steel pouch form-fill and seal machine, model V12HH6S, s/n 1112-2040, 6 UP type, PSI/SCFM 80-90/1.5, with stainless top mount hopper, 22" L x 14" W, sanitary incline belt conveyor 6'-6" L x 14" W on stainless frame (2000)
199	[Lot]	Conveyors, (1) 26'-6" L x 4-1/2" plastic flat track conveyor with 90 degree turn on steel frame, (1) 9'-9" L x 4-1/2" W plastic flat track conveyor, on carbon steel frame, (1) 38" L adjustable width dual belt pace conveyor, (1) 56" L x 46" W plastic top pack off table on carbon steel frame	209	1	50 Gallon stainless steel tank, 35" H x 21" dia., open top, flat bottom with plastic lid
Compound Tank Area			210	1	60 Gallon stainless steel tank, 34" H x 23" dia., open top, flat bottom
200	1	2,645 Gallon stainless steel tank, 8' H x 7'-7" dia., flip top, dish bottom, full sweep 10hp top mount agitator, stainless steel legs, Tank #9	211	1	Stainless steel diaphragm pump, pneumatic 2" in x 2" out on steel base
			212	1	Versa-Matic stainless steel diaphragm pump, pneumatic 1-1/2" in x 1-1/2" out, on steel base
			Gel Filling Line (Jar Line)		
			213	1	Four Across Piston Filler, with gravity feed stainless hopper and 8' L x 4 lane stainless chain conveyor on carbon steel frame

LOT NO	QTY	DESCRIPTION	LOT NO	QTY	DESCRIPTION
214	[Lot]	Kaps-All capper, model C, s/n 3717, 8 quil with arrowhead plastic flat track conveyor on stainless frame, stainless 36" lid orientator, feed system, model FSB stainless lid elevator, s/n 791	224	1	Dayton electric hoist, 1 ton with pendant control (hoist only)
215	[Lot]	MRM Elgin jar monoblock filler/capper, model RPF-4, s/n 88-008959, 4 head rotary piston filler with 6 quil capper, stainless steel base, 12' L x 4-1/2" W plastic flat track conveyor, stainless steel verticle lid elevator, 36" wide with plastic belt and stainless steel frame	225	1	Hoist Rail, A frame, I beam, approx. 84' L x 24' H (A frame only)
216	1	Domino ink jet coder, model A100, s/n N1A22150, stainless steel or cart	Proceed through door to Storage Tank Area		
217	1	Arrowhead rotary orientator table, stainless steel 48" dia., on steel frame	226	1	Will Flow 1,040 gallon stainless steel tank, s/n 36333, jacketed, full sweep with top mounted hydraulic drive agitator, 6' H x 6'-6" dia., max working pressure 55 psic 300 degree F, shell and head thickness .109, open top dish bottom, steel legs, Tank #9, Orbit Fluid Power 10hp hydraulic power unit with approx. 30 gal., storage tank (in unity plastic warehouse)
218	1	MRM Elgin rotary accumulation table, stainless steel 48" dia., on steel frame	227	1	Indian Tuff 3,450 gallon stainless steel tank, full dimple jacketed, open top dish bottom top mounted agitator, 7.5hp, 12' H x 7' W, stainless steel legs, Tank # 5
219	1	Arrowhead conveyor, plastic flat track, 10' L x 4-1/2" W on carbon steel frame	228	1	2,730 Gallon stainless steel tank, 1/2 dimple jacketed, open top dish bottom top mount agitator, 11' H x 6'-8" dia., carbon steel legs Tank #4
220	1	Soco System case taper, model T-10, s/n 554-99, top and bottom, 10' L x 18" W skate roller exit conveyor (1999)	229	1	Alloy Steel Fab 1,490 gallon stainless steel tank, s/n 69-18, 1/2 dimple jacketed, open top dish bottom top mount agitator, 6'H x 6'-6" dia., inner shell .109, outer shell .002, max working pressure 25 psi at 276 degree F, carbon steel legs, Tank #7 (1969)
Tube Filling Line			230	1	Will Flow 775 gallon stainless steel tank, s/n 25883, 2/3 dimple jacketed open top flat bottom, Neptune 3/4hp rim mounted mixer, National Board #2945, shell and head thickness .109 max WP 55 psi at 300 degree F, carbon steel legs, Tank #8 (1975)
221	1	Kentex tube filler/sealer/trimmer, model TR850-HA, s/n 652, stainless steel, single filler head, sealer head and trimmer 12 position tube holder, stainless steel top mount hopper with agitator, auto tube eject (2004)	231	1	3,000 Gallon stainless steel tank, closed top dish bottom side and top manhole, 12' H x 6' -8" dia., top mount agitator, Tank #3
Proceed to Water Treatment Area			232	1	Perry 2,000 gallon stainless steel tank, model T-316, closed top slant bottom side manhole, 8'-9" H x 7'-7" dia., carbon steel base, Tank #2
222	[Lot]	US Filters Reverse osmosis system, model 67/VM3-09-230, s/n 190896, 3 tube with model 80A45 membrane, skid mounted, (2) US filter stainless steel ultra violet disinfectant units, model CS-4R, s/n's IS01082-E DESE, and IS01081-E DESE both 2001, Grundfos vertical 3hp stainless steel pump, US Filter, model T910601-275 verticle canister filter, s/n EB type CWTKS0421275, Chem Tank 2,000 gal., poly tank, 11'4" H x 5'5" dia., Tank # 30, US Filter dual tank water softener system with (2) rotary pumps and poly tank for salt, (84) Tru-Soft pellet bags, 50 lbs each on (3) pallets	233	1	Perry 2,000 gallon stainless steel tank, model T-316, closed top slant bottom side manhole, 8'-9" H x 7'-7" dia., carbon steel base, Tank #1
223	1	Catwalk, mild steel, overall length 50' with (2) sets of stairs and (2) work platforms around large tanks	234	1	Indian Tuff 1,500 gallon stainless steel tank, open top dish bottom, 7' H x 6" dia., stainless steel legs, Tank #22

2056	_____	[Lot] Massage chair, with Orion TV/VHS combo player and recliner chair			
2057	_____	[Lot] (2) Sets of 6 lockers			

Procedure for Equipment Disconnect and Removal

Insurance Certificate Required from Truckers / Riggers

Following are the terms for equipment disconnect and removal. All buyers, rigging contractors (herein referred to as Dismantlers) and their helpers, who participate in the disconnect and / or removal of the plant equipment are required to review, acknowledge, accept and abide by the following terms before commencement of any removal activities.

**Rigging is the total responsibility of the Buyer.
No assistance will be provided. No extensions of the time will be granted.**

1. An original stamped, paid invoice must be presented to authorized Auctioneer Personnel for removal.
2. Buyers and any Dismantler retained by the buyer shall bear the sole and absolute responsibility for removal of purchased items.
3. It is the responsibility of all Dismantlers to present authorized Auctioneer Personnel with an original Liability and Workman's Compensation Insurance Certificate in the amount of at least \$2,000,000.00 (two million dollars) naming RABIN WORLDWIDE, prior to commencing any removal of equipment that requires electrical disconnect, acetylene burning, or lift truck assistance.
4. Should any pits, floor bolts, or hazard of any type exist after removal of equipment, it is the responsibility of the Dismantlers to guard these areas using generally accepted safety practices such as safety tapes, pipes or bars welded in place, or suitable safety barriers, acceptable to Auctioneers. All floor bolts and /or anchoring fasteners remaining after equipment is removed are to be cut flush to the floor and sanded smooth by the Dismantler and the area left broom clean. All electric wiring and utilities must be safely disconnected from the first connection joint and all supports, brackets, braces and all conduit between the floor and bar joints must be removed by the Dismantlers.
5. Machines are to be staged for loading in the area assigned by Auctioneers.
6. Any hydraulic fluid or oil leak is the responsibility of the Dismantlers to clean up. Miscellaneous conduit, wires and threaded studs in cement must be removed.
7. It is the responsibility of the Dismantlers to disconnect all electrical power to the machines. Further it is the Dismantlers responsibility to make absolutely sure that the power is off to the machine before disconnecting. If you are not sure if the power is properly disconnected, contact appointed Plant Electrical Engineer or Auction Office. Do not consult with Auction Checkout Personnel.
8. No trucks are to be left running in an enclosed building. Auctioneers are not liable for equipment and tools left on premises.
9. If available, bridges, cranes and hoists may be used only by the Dismantlers with crane insurance on their certificate and only with the written permission of crane owner.
10. Any surface or structural damage created by the Dismantlers to the walls, ceilings, floors, overhead doors, gates etc. will be the Dismantlers responsibility. Auction Personnel are to report damage to the Home Office and Plant Personnel immediately. Dismantlers will not be permitted to leave with equipment until repairs are made.
11. Theft will not be tolerated and we reserve the right to inspect all trucks and tools boxes of Dismantlers. Instances of theft will result in immediate termination of removal privileges and prosecution to the full extent of the law.
12. Dismantlers must take full responsibility for and exercise all reasonable care to insure that there is no release to the environment of any Hazardous Waste or substances as are defined in applicable Federal, State and Local Statutes, Regulations, Rules or Ordinances.
The undersigned Dismantler of machinery, equipment, buildings or other property (collectively, the "Assets"), hereby acknowledges that the Assets are sold "AS-IS", "WHERE-IS", WITH ALL FAULTS, without representation or warranty, either expressed or implied, of any kind; that the Assets may contain Asbestos or other Hazardous Materials and that the removal of Assets may release Asbestos or other Hazardous Materials. To the best of our ability, we have identified and tagged those assets containing Asbestos, but make no presentation or warranty that those are only Assets containing Asbestos. The undersigned buyer hereby indemnifies and holds harmless the Auctioneers against any loss, costs, damages or expenses arising from any Asbestos or other Hazardous Materials contained in the Assets or released by the removal of the Assets.
13. Buyer will indemnify, defend and hold the Auctioneers harmless with respect to all costs, expenses, liabilities, damages or claims including without limitation attorney's fees, asserted by any person, entity or governmental agency or against Rabin Worldwide directly or indirectly relating in any manner to any Hazardous or Toxic Materials which may be regulated under applicable laws, rules or regulations (collectively, "Hazardous Materials"), and which relate in any way to the dismantling and removal of the purchased item. The Auctioneers shall in no event be obliged to sell any items which contain Hazardous Materials, or incur any costs or expenses relating in any manner, either directly or indirectly, to any Hazardous Materials. Buyer will be responsible for any and all remediation costs related to the dismantling and removal of any purchased items. Prior to removal of any spillage tank, Buyer and any Dismantler will first consult with an authorized representative of the Auctioneers to ensure that (i. all local, state, and governmental safety standards are being complied with, and ii. Auctioneers' Terms of Disconnect and Removal are being complied with).
14. All purchases must be removed by dates indicated in the catalog. Buyers will be responsible for storage and removal fees for purchases left on premises after removal dates.
15. Buyer and/or Dismantler has read, understood and agrees to abide by all the terms and conditions contained in the Auctioneer's (i.) Terms of Sale, and (ii.) Terms of Disconnect and Removal. The Auctioneer's Terms of Sale are annexed hereto as Exhibit A and incorporated herein by reference.
